

#### ABOUT

Witness operatic history as NYCO presents the work that launched the New York City Opera inaugural season in 1944, Giacomo Puccini's *Tosca*. To mark this triumphant occasion, NYCO Renaissance has obtained from Casa Ricordi the exclusive North American rights to re-create Adolf Hohenstein's set and costume designs made for the original production of *Tosca*, premiered at Rome in 1900. Here, for the first time in the United States, a masterpiece of Belle Époque design can be seen with the timeless music drama that inspired it.
